

Superintendent of Schools

Dunseith Public School District – Dunseith, North Dakota

Dunseith Public School District is seeking a qualified and collaborative educational leader to serve as Superintendent of Schools. The Superintendent is the chief executive officer of the district and is responsible for providing leadership in all aspects of district operations, instructional programming, and fiscal management.

Responsibilities Include:

- Serve as the educational and administrative leader of the district and advisor to the Board of Education.
- Oversee all district operations, including instruction, personnel, finance, transportation, facilities, and student services.
- Demonstrate cultural awareness and the ability to work effectively with a diverse school community.
- Develop and administer the district budget with an understanding of Impact Aid and North Dakota Foundation Aid formulas.
- Provide oversight and compliance for federal and state programs, including Title programs.
- Foster positive relationships with staff, students, families, community members, and tribal and state partners.

Qualifications:

- Valid North Dakota Superintendent Credential.
- Master's degree in Educational Administration or related field.
- Successful administrative experience at the building or district level.
- Knowledge of school finance, federal programs, and district operations.

Desired Characteristics:

- Collaborative and effective leadership style.
- Grant writing experience preferable.
- Strong communication and organizational skills.
- Experience in a rural school district preferred.
- Commitment to student success and continuous improvement.

Salary and benefits are competitive and commensurate with experience.

Closing date April 1st 2026.
